Division of Forensic Science CONTROLLED SUBSTANCES TRAINING MANUAL	Amendment Designator: A
	Effective Date: 5-January-2006
<p style="text-align: center;">21 ADDITIONAL TRAINING</p> <p>21.1 During the course of the Training Program the trainee should spend a small amount of time with the other disciplines (latent prints, forensic biology, etc.) located within the Division. This will allow the trainee to understand how evidence is maintained for multi-sectional analysis as well as understanding the general capabilities of the other sections. These visits will be coordinated by the TC.</p> <p>21.2 Upon completion of training, the trainee will be strongly encouraged to attend the DEA Forensic Chemists Seminar. Information of current schedules is found in <u>Microgram</u> or by contacting the DEA Special Testing and Research Laboratory.</p> <p style="text-align: right;">♦ End</p>
